From the Principal’s Desk
Kendriya Vidyalaya Sangathan is a vibrant organization which provides multifaceted opportunities to tap the potential hidden in our students. CMP is a platform for primary children which widens their original and imaginative vision and inspires them to achieve excellence. I not only hope but believe that our teachers will add more colours to CMP in the coming sessions.

HM’S DESK....
Every child is a unique creation of God. We need to identify, nurture and groom the talents of children. It is a matter of great pleasure for bringing the 2nd volume of CMP Newsletter for the session 2012-13. It highlights the creativity of the students and CCE implementation in the vidyalaya. I congratulate the entire team of primary teachers for their active participation and zeal.
