

Principal's Message

Educational Institutions are many, all of which impart a learning, but it is our prayer that our students go out into the world with the strength, not only to reach and excel in their professional aspirations, but to remain beautiful human beings.

A Vidyalaya is always a 'world in miniature' where one receives a 'training for life', where effective, meaningful and joyful learning takes place. It is here that we begin to learn our lessons of life-to accept challenges, face competition, defeat and failure, and rejoice at victory and triumph.

The KV Kamptee is a symbol of progressive and quality education. Our motto, "Come to learn and Go to serve" captures the essence of our spirit. In our school, children gain an all-round education and achieve their potential not just in the academic field but also in

the field of sports and Co curricular activities.

The children of the school evolve as well-rounded individuals who have honed their skills in the microcosm of the school and are equipped to lead and inspire in the microcosm of the world.

Our Vidyalaya is scaling new heights with excellent and reputed professionals training our children in different fields.

Most importantly, at the school, we are a team of dedicated teachers and staff, committed to the welfare of the children in our care. For us teaching is a passion and a calling. The importance of instilling good values in our students is our prime objective.

Jai Hind.
